CHRIST IS KING

On the final Sunday of the liturgical year we celebrate the feast of Christ the King. It’s easy to understand today’s scriptures as events that happened long ago and far away, or predictions that will come true somewhere, some day. But they invite us to claim Christ as our King here and now. Jesus’ words to Pilate in the Gospel remind us that his kingdom transcends time and place. And the prophecies from Daniel and Revelation give us reason to be faithful to Christ our King right here and right now. By concluding the year with this feast we are proclaiming our faith that Jesus Christ is the one and only King over all seasons, all peoples, and all of creation. No matter what nation we belong to or what language we speak, he “has made us into a kingdom” one people united in love and peace for all eternity.

For all the Sick, the Elderly, the Homebound and All who have asked for our prayers

We had several meetings in the parish since May with the representative from The Gersh Academy and the Diocese. To date the Diocese has not been able to make a decision about us leasing the school. It is why I wrote this letter to Bishop Barres.

November 9, 2018

Dear Bishop Barres,

I am writing to inform you that we are very disappointed about how the Diocese is helping us with our school building. The school building has been empty for 12 years. The parish pays for the utilities and maintenance expenses from our weekly parish collections. Three years ago we tried to lease the school building, but do to the length of the lease term, we were denied by the Diocese.

In May, The Gersh Academy expressed interest in renting our school building. We have gone through all the proper channels through the Diocese. A letter was sent to Bishop Brennan on 6/27/2018 asking for permission to rent the school building. The Facilities Committee met on 9/18/2018 and gave their approval. The Finance Committee met on 10/11/2018 and gave their approval. Lastly, the College of Consultants met on 10/31/2018 and to date they have not made a decision. "It's on the table". This has been going on for 7 months since May 2018 and a decision still has not been made. What kind of workers do we have in our Chancery?

We are very grateful to Ken Morra who has been a tremendous help to the parish through this process.

The Gersh Academy has expressed their frustration with the length of this process and they are willing to walk away if a decision is not made by the Diocese within two weeks. Renting the school building will be a great financial support to the parish. We are unable to pay any of our financial obligations to the Diocese from the parish collections, because 80% of our parishioners are senior citizens who are on a fixed income. A negative decision by the Diocese in this case also has a negative financial impact on the Diocese as well as the parish.

I am sure you can understand the frustration of my parishioners, The Gersh Academy, and my frustration as a Pastor regarding this situation.

Please do something in this case as the head of the Diocese of Rockville Centre.

Sincerely yours in Christ,

Reverend Marian Bicz

Pastor
